## LXXXIV. Dixit insipiens in corde suo

Infra hebdomadam III Quadragesimæ ad Communionem

Psalm 52 (14, 13)

Editor, Anthony Maydwell

Jacques Arcadelt

c. 1500 - 1561

1. The fool said in his heart: There is no God.
2. They are corrupted, and become abominable in iniquities: there is none that doth good.
3. God looked down from heaven on the children of men: to see if there were any that did understand, or did seek God.
4. All have gone aside, they are become unprofitable together, there is none that doth good, no not one.
5. Shall not all the workers of iniquity know, who eat up my people as they eat bread?
6. They have not called upon God: there have they trembled for fear, where there was no fear.  
For God hath scattered the bones of them that please men: they have been confounded, because God hath despised them.
7. Who will give out of Sion the salvation of Israel?  
when God shall bring back the captivity of his people, Jacob shall rejoice, and Israel shall be glad.
